

# I.C.MARK LTD

Serving the Local Community since 1972

## FUNERAL DIRECTORS

### MEMORIALS

I.C. Mark Ltd are committed to providing the best tribute for your loved ones. We are 3rd generation monumental masons which means you deal with a tradesman from concept to completion. Our son Chris and his wife Mel recently purchased the memorial side of the business from us, which is now called Mark Memorials. We still work closely together to ensure everything is considered when planning a special

tribute.

All work is completed at the work shop at Mark Memorials, I.C. Mark Ltd, Queen Street, Levin and Chris welcomes people who call in to chat about any memorial needs.

We have many memorials available in stock. If you have a design in mind, we can also accommodate this.

Chris is also a specialist in restoration and refurbishment.

Chris and Denis have been involved in community projects like the Levin War Memorial and the Pioneer Memorial on Oxford Street, this is very important to them.

Chris imports all his own granite which enables him to be very competitive with pricing. He provides obligation free quotes.

Please contact Chris Mark for any further information.
